

GO LIVE LOVE  
GIFT BOXES

# THERE IS A HOPE.

With the high poverty level in Central America, Rabmin wanted to provide the opportunity for people to give a gift of hope to the children of Costa Rica. By touching the life of a child, we can't even imagine what an impact it can have on their future. Our hope is through sharing these gifts with the children, they will know they are loved and have a purpose. You have the ability to help restore hope in the life of a child through the gifts you share.

# THERE IS A WAY.

We share the gift of hope through "GO LIVE LOVE GIFT BOXES", which allow churches, civic groups and individuals to fill the boxes with toys, clothes and school supplies. You can fill the boxes yourself or make a donation to help provide boxes for children.

No matter how you choose to help, you will make a lasting impact on the children you provide for. There is a way and we all have an opportunity to be a part of it.

# THERE IS A TIME.

Every year, we will launch our "GO LIVE LOVE GIFT BOXES" Campaign on July 15th and have all the gifts returned to us between October 15th-22nd. This is so all the boxes will have time to be shipped and cleared through customs in December. Please provide \$10 per box for shipping costs when returning your boxes. It is important to request your boxes or make a donation as soon as the campaign is opened to make sure you, as well as the RABMIN team, can have everything ready to go in December. So now is the time to start spreading the word!

# WHAT TO EXPECT

When you place your box order, each order will include a suggested list of items. Each order will also include an inventory sheet for your group to fill out for the TOTAL amount of each item provided in your shipment. Simply fill the boxes with approved items, fill out the inventory and mail the boxes to the designated location.

# WHAT TO GIVE

In each box, you may add pictures, a note with no personal information and small new testament Bibles. You may also include news toys, clothes, toiletry items(non-liquid), deflated sports balls and card games. All items must be new. Customs will not allow used items to pass through and we must do everything we can to make sure the gift boxes do not get held up. As suggested in the above section, you can use our "suggested items list" as a point of reference to help you select items to pack.

# WHAT NOT TO GIVE

Please DO NOT include any liquids or personal hygiene products(creams, colognes, toothpaste, etc.) for males or females. We cannot accept any food products, seeds or toy guns. Due to complications with distribution, we will no longer ship flip flops. All items must be new. After requesting your boxes, you will receive a list of items which cannot be included in the box.

# WHAT & WHERE

We are currently serving 80 communities north of Alajuela, Costa Rica, but this reach continues to grow every year, even reaching other parts of the world. Depending on the number of gift boxes received this year, our gifting area will expand even further to help more communities across the world.
